*The Point Is is a non-profit 501.c.(3) organization. However, your registration fee is not tax-deductible because of the goods and services you will receive during the camp.

The Point is a gathering of women sharing experiences and knowledge with the purpose of learning from each other and giving to the community. We have raised and donated locally over \$100,000 in efforts to create a better quality of life for women in the Lowcountry. Camp for a Cause is our largest fundraiser annually and we excited that you have decided to join us.
